VISION

My vision as Vice-Chancellor at SOMAIYA VIDYAVIHAR UNIVERSITY, is to lead the institution into the 21st century with a strong focus on teaching, research, and innovation that addresses both local and global societal needs. My vision encompasses several strategic initiatives to transform SOMAIYA VIDYAVIHAR UNIVERSITY into a hub of academic excellence, innovation, and holistic development.

INNOVATION AND EXCELLENCE IN EDUCATION:

I envision SOMAIYA VIDYAVIHAR UNIVERSITY as a leader in cutting-edge research and academic rigor. By introducing contemporary curricula and innovative teaching methods, we will inspire creativity and critical thinking.

ESTABLISHING INCUBATION AND INNOVATION CENTERS:

There is significant potential to establish an incubation center at SOMAIYA VIDYAVIHAR UNIVERSITY fostering innovation and entrepreneurship. Faculty will be encouraged to undertake research projects and file patents for their innovative work. This will not only enhance our academic reputation but also contribute to societal advancement.

CENTRE FOR ETHICS AND VALUES AND SCHOOL OF HAPPINESS:

We will set up a Centre for Ethics and Values and a School of Happiness to instill life skills, values, and emotional well-being in our students. These centers will play a crucial role in shaping responsible individuals committed to the intellectual, academic, and cultural development of society.

SKILL AND VOCATIONAL EDUCATION FOR ATMA NIRBHAR BHARAT:

In alignment with the vision of Atma Nirbhar Bharat, We will establish a center for skill and vocational education. This will provide students with practical skills and vocational training, supporting the national objective of self-reliance and contributing to the country's economic development.

GLOBAL COLLABORATIONS AND EXCHANGE PROGRAMS:

We will ensure that SOMAIYA VIDYAVIHAR UNIVERSITY signs various MOUs with foreign universities to facilitate faculty and student exchange programs. This will provide our community with international exposure and collaborative opportunities, enriching our academic environment.

EXPANSION INTO CONTEMPORARY FIELDS:

Recognizing the importance of emerging technologies, I will establish new faculties and departments in fields such as artificial intelligence, machine learning, data analytics, and block chain technology. This will keep our curriculum relevant and future-oriented, preparing students for the demands of the modern workforce.

CAREER DEVELOPMENT AND INDUSTRY PARTNERSHIPS:

A strong center for career development and a proactive placement cell will be established. We will sign MOUs with local industries and companies in various sectors to ensure our students have ample employment opportunities. This strategy will enhance student employability and foster strong industry-academia collaboration.

By nurturing talent, fostering innovation, and promoting inclusivity, SOMAIYA VIDYAVIHAR UNIVERSITY will set new standards in education both regionally and globally. Together, we will transform the university into a premier institution that not only imparts knowledge but also shapes future leaders committed to societal progress.
